PROFESSIONAL SUMMARY

Greetings! I'm Prateek, a 22-year-old immersed in advanced IT, specializing in web development and cloud computing. I've created impactful projects like "Learn with Fun," an E-learning site, and played a key role in the backend development of "Elevate," an esports health site powered by Django. My expertise extends to a Meta Front-End Developer Professional Certificate, covering essential topics such as JavaScript, Git, HTML, CSS, and advanced React. I'm dedicated to enhancing user experiences through innovative solutions and continue to explore the latest in technology.
